**Newly-Licensed Professional Engineer at Provost & Pritchard**

**FRESNO, CA:** Provost & Pritchard Consulting Group is proud to announce that Matthew Klinchuch has received notice of passing the difficult California Professional Engineers Exam for Civil Engineering.

“Passing the test to obtain a professional engineer license is a vital milestone in an engineer’s professional development,” said Ronald Samuelian, president of Provost & Pritchard. “This is a great achievement for Matt, and we are proud of him for this major accomplishment.”

Based out of Provost & Pritchard’s Visalia office, Klinchuch has over four years of experience focused on water resources engineering, and has been integral part of the surface water monitoring required through the Irrigated Lands Regulatory Program for the Kern River Watershed Coalition Authority and the Kaweah Basin Water Quality Association. He obtained a master’s degree in civil and environmental engineering with an emphasis on water resources, and a bachelor’s degree in civil engineering from California Polytechnic State University, San Luis Obispo. In addition to water resources engineering, Klinchuch is experienced in design calculations, engineering drawings, land surveying, and data analysis.

Established in 1968, Provost & Pritchard Consulting Group has a strong tradition of engineering and consulting excellence throughout California. With office locations in Fresno, Clovis, Visalia, Bakersfield, Modesto, Los Banos, and Chico, the firm features a mix of seasoned professionals, complemented by younger staff with fresh ideas. Provost & Pritchard specializes in civil and agricultural engineering, environmental and land use planning, hydrogeology and geology, surveying, and construction management services in the areas of water resources, municipal infrastructure, agriculture, site development, and environmental compliance.
