Karen Kirk joins Provost & Pritchard's business development team

Fresno, CA: Provost & Pritchard Consulting Group has announced the addition of Karen Kirk as Client Services Manager to the firm's business development team. Kirk will be responsible for developing and enhancing business partnerships throughout the San Joaquin Valley region.

"We are pleased to welcome Karen to our staff," said Dale Melville, Provost & Pritchard's president. "I have known Karen for a long time and in these more challenging economic times, Karen will be a tremendous asset towards maintaining and building stronger relationships with our existing and future clients."

Kirk has over 25 years of business and partnership development experience in the professional engineering and environmental industry. Her experience consists of developing business opportunities, networking, identifying strategic initiatives, and assisting engineering and consulting professionals in growing professional relationships with their clients.

Established in 1968, Provost & Pritchard Consulting Group has a strong tradition of engineering and consulting excellence in throughout California. With office locations in Fresno, Clovis, Visalia, Bakersfield, Modesto, and Los Banos, the firm features a mix of seasoned engineering, planning, surveying, and environmental professionals, complemented by younger staff with fresh ideas and the most up-to-date technical skills. Provost & Pritchard specializes in civil and agricultural engineering, environmental and land use planning, hydrogeology and geology, surveying, and construction management services in the areas of water resources, municipal infrastructure, agriculture, site development, and environmental compliance.
