Provost & Pritchard announces staff addition of recent graduate, Matt Klinchuch

FRESNO, CA: Provost & Pritchard Consulting Group is proud to announce the addition of Matt Klinchuch to the firm's staff as a water resources technician. Klinchuch will be based out of the firm's Visalia office and will work on a wide range of engineering projects.

Born and raised in Bakersfield, Klinchuch is a recent graduate of Cal Poly, San Luis Obispo, where he received a Masters degree in Civil and Environmental Engineering with an emphasis in Water Resources, and a Bachelor of Science degree in Civil Engineering.

"We are excited to welcome Matt Klinchuch to our staff, as he establishes his career in the engineering industry," said Dale Melville, Provost & Pritchard's president. "He will work with our staff and clients to provide sustainable and innovative solutions for their water resources projects."

Klinchuch's past engineering experience consists of design calculations, engineering drawings, land surveying and data analysis for water resources, structural, and transportation projects. During summers, he previously worked as a water resources intern for the Kern County Water Agency and other consulting engineering firms in the Valley.

Established in 1968, Provost & Pritchard Consulting Group has a strong tradition of engineering and consulting excellence in the San Joaquin Valley. With office locations in Fresno, Clovis, Visalia, Bakersfield, and Oakdale, the firm features a mix of seasoned engineering, planning, surveying, and environmental professionals, complemented by younger staff with fresh ideas and the most up-to-date technical skills. Provost & Pritchard specializes in civil and agricultural engineering, environmental and land use planning, hydrogeology and geology, and surveying services in the areas of water resources, municipal infrastructure, agriculture, site development, and environmental compliance.
