Newly-licensed engineer at Provost & Pritchard

FRESNO, CA: Provost & Pritchard Consulting Group is proud to announce that Gabriel Do Reynoso has received notice of passing the difficult California Professional Engineers Exam for Civil Engineering.

“Passing the test to obtain a professional engineer license is a vital milestone in an engineer’s professional development,” said Dale Melville, the president of Provost & Pritchard. “This is a great achievement for Gabriel, and we are proud of him for this major accomplishment.”

Do Reynoso has over 10 years of engineering experience. He obtained a bachelor of science degree in Civil Engineering from California State University, Fresno and holds both an bachelor of arts degree and a masters degree in Mathematics from the University of California, Santa Cruz. He has been involved with engineering projects related to all aspects of roadway and street design, municipal infrastructure and land development.

Established in 1968, Provost & Pritchard Consulting Group has a strong tradition of engineering and consulting excellence throughout California. With office locations in Fresno, Clovis, Visalia, Bakersfield, Modesto, and Los Banos, the firm features a mix of seasoned professionals, complemented by younger staff with fresh ideas. Provost & Pritchard specializes in civil and agricultural engineering, environmental and land use planning, hydrogeology and geology, surveying, and construction management services in the areas of water resources, municipal infrastructure, agriculture, site development, and environmental compliance.
